Competition Update!!! The **Miami Beach X-TREME Cheerleading Team** took top honors in their Division C (12th grade & under) at the National Cheerleading Association/National Dance Association competition held in New York City March 13, 2004. They beat out four other teams from across America that had qualified through local, regional and state preliminaries. It was the first time a Miami Beach cheerleading team has ever made it to the nationals. The 15 girls and 2 boys in the squad raised over \$13,000 to make the trip. Please join the parents and coaches as the team performs at the End of the Season Awards Ceremony to be held on April 7th at 7:00PM at Nautilus Middle School. See you there!!

The **Miami Beach Parks & Recreation Jr. & Sr. Dance Company** will compete in the Show Stoppers American Dance Championship Regional Competition at Broward Community College in Ft. Lauderdale. This is a major competition with dancers from all across Florida vying for the top spot to make it to the Nationals. They will also compete in the Star Power Regional Title Competition in Broward County, Florida. Star Power is one of the largest talent competitions in America.
